Name=EVE Pilot 9.15.6

URL=<http://www.macrolab-online.com/downloads/evepilotsetup.exe>

Size=43651469

MD5=d265d02a419675b3eaae3358815ade2e

Released new version of a trader. It is still beta version, need more tests. Use at your own risk and report about problems.

It is recommended to reduce number of orders and ISK/order value during tests.
