

## license issue

Posted by zezero - 2013/09/20 05:21

---

I purchased 3 month code for miner 4 days ago and i still cannot see the code in license page. I checked spam folder, i have bought code from the site in the past with no problem

I think I have the same issue. I bought trader licence yesterday and it still showing as pending however I have received payment conformation emails from both macrolab and paypal.

I missed Saturday trading now..... :angry:

---

my order number is 33874

i buy 90d trader a day ago. but still dont get the license to use the bot.

okay i have it now.

it was my fault.

everything working fine.
