

Thank you and a small question

Posted by Loser-noob - 2020/01/31 13:06

Hello everyone,

i am very satisfied with the looter. Looting and salvaging has never been so easy for me :-)

What about drones to salvage? have i overlooked a setting or is it not supported?

In general, you have to thank the programmer for his work. all bots i have are working perfectly!

Salvaging drones not implemented. In principle it is not so difficult to add.
